WILL HOLD A FAIR WITHOUT THE GOV'T. HELP

So Decides Directors of Agricultural Society After Hearing Report—Prospects Good for Attractive Prize List.

A meeting of the directors of the Redcliff and District Agricultural Society was held in town last evening. Although all the directors were not present there was a good turnout, some coming as far as 15 miles to the meeting.

Owing to the removal from town of W. Perrin, who was elected president, Vice-President M. Statters presented.

The first item of business was the election of a permanent president. Mr. Statters was elected to this position and Mr. Harcourt was elected first vice.

The secretary informed the meeting that he had taken the matter of government assistance up with Mr. Pingle, the local representative in the legislature, who reported that no aid could be expected from that source as we were too near Medicine Hat. This naturally was a shock to the directors, but they were not to be outdone by the government and so, after some discussion, it was decided to hold a fair anyway.

Plans for financing the fair were then taken up and the result was that the directors felt they would be able to get out a fairly attractive prize list. Stipulated amounts were allotted to each branch of the prize list and the following committee were appointed to prepare lists and submit same at the next meeting:

Light and Heavy Horses—Messrs. M. Statters, J. Durrough, A. Dubois, A. Lemon and T. Bardsell.
Cattle, Swine and Sheep—Messrs. F. Walker and D. Williamson.
Fowl and Vegetables—Messrs. J. Ellis, D. McLaughlin and R. J. Batt.
Grains—G. G. T. Harcourt and E. L. Stone.

The committee to arrange for cooking fancy work will be selected at a future meeting.

On motion of J. Ellis and F. Walker, J. Durrough, of the Bowell district, was added to the directors.

The secretary was instructed to get the necessary printing done so as to be in a position to start out on the venture as soon as possible.

Something New at Amuse-U Saturday

In addition to the regular show at the "Amuse-U" Theatre on Saturday night of this week, the management has made arrangements to show a new, surprising feature in photographs entitled "Shell Shocked."

According to press reports this film is styled as a truly living speaking picture. There is nothing sensational in its presentation beyond the operation of the film from the machine. The actual views, with all their tenderness, vehemence, and varying degrees of modulation are rendered by the eloquent mouth of the story, and the audience is not asked to believe in the hitherto "Silent Drama."

Austria to Pay Share of Endemnity

The council of four, with President Orlando of Italy presiding, met today to arrange the program for the presentation of peace terms to the Austrian, Bulgarian and Hungarian delegates.

It appears that instead of Germany being required to pay the entire indemnity demanded by the Allies, a considerable sum will be demanded of Austria, the estimate of this sum at present being \$200,000,000.

This indemnity program is being the delimitation of the frontier of the new state will be the main feature of the treaty now in the making. Provision is to be made for the

Alta-Hungary's pre-war debt among the new states formed from the territory formerly held by the empire that expires. The frontiers between Germany, Austria and Italy, and probably the Adriatic settlement, will also figure in the Austrian treaty.

Public Meeting Here On Friday Evening

The Redcliff Industrial Committee which was recently formed in town, is calling a general public meeting to be held in Crowe's hall on Friday evening of this week.

This committee, which is an offshoot of the meeting of business men held last Friday, is of the opinion that the time is now ripe for the citizens as a whole to outline and prepare some definite line of action for industrial development. It is for this purpose this meeting is being called and it is hoped that every man who had any interest in the town will take it as a point to be present at this meeting. Among other matters to be brought up will be a discussion of the affairs of the Dauntless Manufacturing Company and the prospects of future development in this plant.

SCHOOL NEWS

Following is the April class record with regard to percentage of attendance and numbers of later: Primary, 80.71 per cent—5; Grade I, 79.22 per cent—5; Grade II, 80.46 per cent—5; Grade III, 80.04 per cent—2; Grade IV, 79.22 per cent—3; Grade V, 78.06 per cent—4; Grade VI, 77.78 per cent—4; Grade VII, 84.19 per cent—5; Grade VIII, 80.58 per cent—9; High School, 90.5 per cent—5.

Owing to the usual spring movement of the school, the term of the school has fallen from 328 in February 24 to 288 in April, a decrease of 40.

Friday is Arbor Day. It is the intention of teachers and pupils to greatly improve appearance within and about the school.

At a meeting of teachers held on Monday night it was decided to start preparations for a grand Field Day to be celebrated at the close of the term.

Ambitious amateurs are already lining up for some of the events.

IN MEMORIAM

In loving memory of our dearly beloved son, Pvt. Lorimer H. Wedderburn, 31st Battalion, Canadian, killed in action at Fresnoy, France, May 3rd, 1917.

You gave of your breast the only one; What of the mothers who gave none after none.

Each one is a star in God's shining throng, No boy who fell here will have to atone.

Then weep not here, the dead are at rest. Though duty was stern they died for her breast;

Go back to your home, pray prayer for country's call.

Who have turned a deaf ear to a country's call.

Council Disposes The German Colonies

The council of three, Mr. Clemenceau, President Wilson, and Lloyd George, decided as to the disposition of the former German colonies as follows:

Togoland and Kamerun—France and Great Britain have a joint recommendation to the League of Nations as to the future of these colonies.

German East Africa: The mandate shall be held by the Union of South Africa.

DAUNTLESS CO. ENDORSED BY LOCAL MEN

Meeting of Business Men Hear Business of Company Discussed and Vote to Assist Directors in Further Development.

That the citizens of Redcliff are willing and ready to get behind and help any legitimate enterprise in town after they have been shown that it is all right, was clearly demonstrated at the meeting held in the Dauntless Manufacturing Company's office last Friday evening.

This meeting was well attended by representative citizens of the town, only two of these invited to be present being absent. The meeting was called for the purpose of going through with the work done so far by the management of the Dauntless company, and getting an outline of the prospective plans of the directors for future development. W. H. Johnston was chosen as chairman, and after a few introductory remarks, called on Mr. W. Brown, president of the company, to address the meeting. Mr. Brown reviewed in detail the work of the organization of the company and its development up to the present stage. He also outlined the plans for the future and explained the process for the production of different articles which the company intended to manufacture at this plant. He showed that he had given the business considerable study and was prepared to answer intelligently all the questions which were put to him by those present. The audience's report was also presented and read to the meeting.

This showed that the company was in good condition and that its affairs had been economically and satisfactorily conducted so far. After a further discussion in which all present took part a resolution was passed unanimously, pledging the support and operation of all present for the further discussion in which all present for the further development of this plant.

A committee was then appointed to work in conjunction with the directors in arranging for future work in this district. This committee is as follows: Mayor Holt, Councillors Lydell, Lavelle, Broughton, and Messrs. Leaman, Seely, and others. The committee met later and decided to call a public meeting in Crowe's hall on Friday evening of this week to which are invited.

Market for Canadian Cattle Now in Europe

H. S. Arkel, Dominion live stock commissioner, says there is a great future for Canadian beef in Great Britain, but that it would have to be finished better. He said a good trade could be done in Canadian hogs, dairy cattle and hinders in devastated Europe but they would not buy anything except absolute none-sense.

There was a large demand for aid, for both heavy and light hogs in the United Kingdom and in Europe, and indeed for agricultural products.

Transportation, of course, was the supreme difficulty. Space at present was short and he hoped the government would send some fleet side to better arrangement.

Many Canadians Yet in English Hospitals

General Merriman made the statement that by April 28th the total number of Canadians who were being treated with military hospital demobilization. Patients in military hospitals in England were being evacuated quickly. Under 14,000 were still to be returned to Canada and of these 1,000 were in hospitals in France. The remainder were already 14,000 in Canada. He expected that the whole of the troops would be back by August and by the end of the year no one would be retained except for the problem of clearing up. The question of Canadian who served in the Imperial forces was under consideration.

LOCAL BRANCH G. W. V. A. NOTES

The regular meeting of the Association will be held in the club rooms on Sunday, 11th inst., at 3 p. m.

A very successful meeting of the Ladies Auxiliary of the local branch was held in the club rooms on Wednesday night when several new members were accepted and several important items of business discussed. All ladies wishing to become members of the Ladies Auxiliary of the G. W. V. A. should communicate with Mrs. Hargrave who will be pleased to supply the necessary information and forms.

On Sunday, 10th inst., another Sacred Concert will be held in the Amuse-U Theatre when a good program will be rendered. Fuller particulars will appear in forthcoming issue of the Review.

Arrangements have been completed for the opening night of our club rooms, but we are unable to state the date on which this event will take place. The non-arrival of our furnishings. As soon as everything is in order you will be informed of the date and nature of the event.

BOY SPRINGS ITEMS

Notes About the "Bury Bear" Box Springs.

Well! well! we are again, Mr. J. C. Larson, after a very busy social season, is now visiting on his farm at Box Springs. He reports that during his absence the farm and ranch affairs were well looked after by his foreman, Mr. Laurel Larson.

Mr. N. Haseby was a little late in getting started on the spring work, but he is making up for this by getting into the field early—in the morning. He reports that his "foot warmer" does a good job.

Mr. N. C. Larson's unlimited faith in the district is shown by the big acreage he is working this year.

Mr. Edwin Huseby thinks motoring in his newly purchased car has farming lost every way. After a little more experience in car driving he will likely give up farming altogether, as he has taken too much of his time.

Mr. Fred Walker has engaged Mr. Albert "Dad" Weller for the spring drive.

The number of Ford cars in this district continues to increase but "Dad" Weller's still sways by the bulk.

T. R. Ballie, the school teacher in this district, is quite satisfied with the work of his pupils. There are very few schools that can beat his school for attendance. The percentage of attendance for the coldest month of the winter was 99.16.

The Easter examinations of the pupils of Box Springs give the standing as follows, given in order of their position in class.

Grade I—Rita Butternut, Marjorie Williamson.

Grade VI—Mary Williamson, Rose Perrier, Howard Larson, Arthur Willson, Gertrude Butternut, Hubert L. Larson, Alfred Butternut, Raymond Larson.

Grade VIII—Mary Forcier.

Grade IX—Ina Larson, Francis Frances Larson.

Bolshevist Rule is One of Murder

The story of the Bolshevist rule, unfolded by the re-occupation by the Siberian army of a large section of territory, discloses wholesale murder, robbery and persecution. Investigation by the Associated Press shows not a single instance of constructive work.

Throughout the district of Ufa, Bashkir and Bugian, hundreds of citizens of the better class and small property owners are known to have been murdered; other hundreds have disappeared.

Redcliff Footballers Lose League Game

The Redcliff football team played the first league game of the season in Medicine Hat last Tuesday evening, and although they put up an exceptionally fine argument they lost out by the narrow margin of one goal to 0.

For the first part of the game the play was very even but after Medicine Hat scored the Redcliff boys put on an extra effort to even up and as a result made the best of the play. They were unable, however, to locate the net, despite their effort that they were broken by Appleton, who was a big threat in all attacks, and Redcliff, who had been having the best of the game were unfortunate in not scoring.

With the final whistle having four minutes to go, and the visitors playing a big game, it looked as if the goal would fall and with only thirty seconds to go the Reds forced a corner which was only partly cleared when the whistle went, with the score standing Vets 1, Redcliff 0.

The following is the line-up: Vets—Wright, Mogridge and Appleton, H. Hall, T. Hall and McMorris, Bowles, Carpenter, Charters, Collins and Burgess.

Redcliff—Gibbans, Leppmorth, Smith, Mackay, McLean, Leppmorth, Dugan, Watson, Flaxton, Mackell and Miller.

Surveyor Busy On C.N.R. Branch

Surveyors are now hard working in and around town on the survey of the C.N.R. branch line which is to run from Hanna into Redcliff. A portion of the grading for this line has been completed on this side of the Red Deer river and comes to within seven miles of town. From that point the survey runs in a south-easterly direction and crosses the main line of the C.P.R. just at the edge of the town, just a mile east of the old Stair race.

The contract for the completion of the grading through Redcliff has been let, and the contractor with his gang of men and machinery are expected to arrive here any day now.

Hun Delegates Admit Extent of Defeat

In opening the session of the peace conference, Mr. Clemenceau, presiding officer, speaking to the Germans, said: "It is unnecessary to express the words of defeat. You have before you the plenipotentiaries of the small and great powers united in this most crucial hour, which was imposed upon them. The hour has arrived for a heavy settlement of the account."

Paul Dastais, secretary-general of the peace council, delivered a copy to Count von Brockdorff-Rantzau, head of the German delegation, who made a brief reply.

Count von Brockdorff-Rantzau said: "We declare that we do not deny the extent of our defeat. We know the power of the German armistice is broken."

He said he was unable to admit that Germany was solely culpable and did not wish that the Allies make peace according to President Wilson's plan.

Germany pledged itself to repair the wrong done to Belgium and gave assurance of the reconstruction of the territories in northern France.

Count von Brockdorff-Rantzau asked for the liberation of Germany from the League of Nations.

Wealthy are Blamed For Present Unrest

Lavish display of wealth by citizens who possess it, the extravagance of governments, federal, provincial and municipal, the prodigal manner in which the lands and other natural resources of Canada have been shown on speculators and other exploiters have been the cause of the present unrest.

Throughout the district of Ufa, Bashkir and Bugian, hundreds of citizens of the better class and small property owners are known to have been murdered; other hundreds have disappeared.

PEACE TREATY IS HANDED TO HUN DELEGATES

Longest Treaty Ever Drawn—Deals Plainly With What Germany Must Do Along Military, Naval and All Other Lines—Violation of Terms Regarded as an Act of War.

The treaty of peace between the Allied and associated powers on the one hand and Germany on the other, was handed to the German plenipotentiaries at Versailles this afternoon of this week. It is the longest treaty ever drawn and contains 80,000 words.

Germany, by the terms of the treaty, restores Alsace-Lorraine to France, accepts the international control of the Saar basin, renounces all her colonies and of Danzig, renounces all territorial and political rights outside of Europe, as well as her own overseas territories, and, especially to Morocco, Egypt, Syria, Arabia and Shantung.

She also renounces the total independence of Germany, Austria, Czechoslovakia and Poland.

Her army is reduced to 100,000 men, including officers and non-commissioned men; her territories are abolished; all forts 10 kilometers east of the Rhine must be dismantled; all fortifications and nearly all production of war materials stopped. Allied occupation of parts of Germany will continue till reparations are made, but is reduced at the end of each of three-year periods if Germany is fulfilling her obligations. Any violations by Germany of conditions as the zone of 50 kilometers east of the Rhine will be regarded as an act of war.

The German navy is reduced to six battleships, six light cruisers and twelve torpedo boats, without submarines, and a personnel of not over 15,000. All other vessels must be surrendered or destroyed. Germany is forbidden to build forts controlling the Baltic, must demolish Heligoland, open the Kiel canal to all nations and surrender her fourteen submarine cables. She may have no military or naval air force except for coast defense airplanes until October 1, to detect mines and may manufacture aviation balloons for civil and military purposes.

She agrees to return to the 1914 most favored nation tariffs, without discrimination of any sort; to allow Allied and associated nations freedom of transit through her territories, and to accept highly detailed provisions for disarmament and competition, internationalization of roads and rivers, and other economic and financial clauses. She also agrees to the trial of the ex-keiser by an international high court for a supreme offense against international morality, and of other nationals for violation of the laws and customs of war, Holland to be asked to extradite the former emperor and Germany being responsible for delivering the latter.

The league of nations is accepted by the Allied and associated powers as a permanent organization, but it is not an international body is brought into being with a permanent council and annual convening.

Germany accepts full responsibility for all damages caused to Allied and associated governments and nationals, and agrees to reimburse all civilian damages, beginning with an initial payment of \$20,000,000,000.

Subsequent payments to be secured by bonds to be issued at the discretion of the reparations commission. According to reports from Paris the German delegates declare they will sign the treaty but that Germany will not pay an indemnity.

On Sunday morning a freight train with two engines pulled into Namah. The crew all went to the engine house to get their tools. They had been stuck in the drift for 40 hours on the "cut-off" Gleichen to Shepard. They had been stuck in the drift for 40 hours.

That was some blizzard all right.

The complete economic relation of Germany will be considered by the council of foreign ministers.

THE REDCLIFF REVIEW

C. P. R. TIME TABLE.

For the convenience of the public we have to announce the hours of departure of trains at the C. P. R. West bound, No. 5, leaves at 11:50 a. m., and No. 1 at 11:50 p. m. East bound, No. 4, leaves at 8:40 p. m.

ITEMS OF LOCAL INTEREST

Call and see the new plaidingham at Gibson & Tupper's.

Friday of this week has been set aside as Arbor Day by the legislature.

A number of Old Fellows from here attended the church parade in Medicine Hat last Sunday.

Mrs. (Rev.) W. Schaefer will receive next Tuesday afternoon, the 15th, from 3 to 5:30, at the Presbyterian manse.

Hume Pingle, who at one time conducted a drug store here, has sold out his business in the Hat and intends moving to California to reside.

Daylight saving has on the public eye in Lethbridge on Monday, 31st against to 30th in favor. The resolution required two-third majority to carry.

Now is your chance to buy "Peabody's Oremia," \$2.50. Gibson & Tupper, "Clarity," \$2.25. Buy now while buying is good. Gibson & Tupper.

Commencing next Monday the banks in town will go back to the old business hours. In future they will be open from 10 a. m. till 5 p. m. On Saturday the hours will be from 9:30 till 12.

Donald McArthur, a farmer in the Lethbridge district, lost his life in the fierce blizzard which passed over that district last Friday. McArthur lost his bearings in the storm and wandered ten miles out of his way before becoming exhausted from exposure.

Hen. C. W. Fisher, who has been speaker of the provincial legislature since 1905, died in Edmonton last Tuesday. Capt. C. S. Pingle, M. P. P. for this constituency, will be one of the pall bearers at the funeral in Calgary today.

F. M. Howell, who has been employed in the Glass plant here, left last Monday for Brooks where he has accepted a position with the C. P. R. in connection with their irrigation system. Mrs. Howell and family left on Wednesday.

Quartermaster Sergt. Farmer, who went overseas with the Third C. M. B., returned home last week. Sergt. Farmer was at one time manager of the Imperial bank here. He was in town last Monday evening old acquaintance.

The managing committee for the local football club are very anxious that all active players turn out regularly in practice in future. They are convinced that we have the making of the best team in the league but they are also convinced that the best results can only be attained by faithful practice and training.

Sunday, May 14th, will be Mothers' Day in all the churches throughout Christendom. As it has been the custom to observe it in the churches of Redcliff, Rev. Dr. Shaefer will preach a special sermon at the evening service. The choir will also provide special music. There should be a full house on this occasion.

Don't fail to see those pretty plaid gingham at Gibson & Tupper's.

Mrs. Ray Brown and son, of Bowell, are spending this week end in Medicine Hat visiting Mrs. J. H. Harper.

Don't forget the public meeting in Crowe's hall tomorrow (Friday) evening. Every citizen should be present.

Mr. E. Morley Kline, a recent graduate of Regina Normal school, is visiting with his mother here.

Rudolf Van Lennan, a young farmer of the Tripoli district, north of here, died suddenly last Monday.

Fred Walker, of the Box Springs district, is attending a meeting of the Stockmen's Association in Medicine Hat today.

According to the News the football grounds in the Hat are to be harvested and rolled before the next game. The players are of the opinion that this should have been done before the last game.

Last week end the Calgary and Lethbridge districts were visited by a regular blizzard. Telephone and telegraph lines were demolished and lines were held up with the storm. About six inches of snow fell on the level.

About a month ago four men were drowned in the river near Bow Island. Last Saturday the body of one was found near Police Point in Medicine Hat and on Sunday morning was taken from the river about 30 miles west of here.

Rev. D. H. May, B. A., district secretary of the South Alberta Auxiliary of the Canadian Bible Society, will deliver an address in the Presbyterian church on Sunday afternoon at 4 o'clock. All citizens of Redcliff are invited to be present. The question of organizing a branch of the society at Redcliff will be discussed.

While driving to school last Tuesday the four children of D. Williamson, of the Box Springs district, had an exciting experience which they will not soon forget. The horse took fright and bolted, throwing the children out of the buggy and they started off for home. Fortunately none of the little ones were seriously hurt, although they got a bad shaking up.

A. Maskell, who has the agency here for the Dodd system of lightning protection, has some very interesting literature dealing with the action of lightning, its peculiarities, and the best methods of harnessing it to prevent destruction. Many fascicles concerning lightning are dealt with and on the whole this literature is both interesting and instructive. Any interested in the matter should call at his shop and get one of these booklets.

New Barber Shop

I have opened up a barber shop and am now prepared to attend to your wants in this line in my stand on

ON BROADWAY
OPPOSITE POST OFFICE.

Everything clean and up-to-date. Special attention given to children and satisfaction guaranteed.

W. CROSS
Prop.

As tomorrow (Arbor Day) is observed throughout Canada as a bank holiday the two banks in town will be closed for the day.

Don't get wet, prepare for rain and buy an umbrella. One ladies raincoat left at bargain. Gibson & Tupper.

Enquiries are being made for the whereabouts of Mrs. F. Rhodes, who formerly lived in Redcliff. Her brother in Medicine Hat, is anxious.

The ladies of the Aid Society of the Presbyterian church wish to tender their best thanks to Mrs. Hitchen for the handsome tea urn which she has so kindly donated for their use.
